Receipts will be given for all sums paid when a certificate is not issued immediately and investors should be careful to obtain and preserve these. The provisional receipts must be surrendered in all cases in exchange for certificates or acknowledgments. Holders of cash certificates who do not elect to keep them with the Post office may, if they so desire, deposit them in district treasuries for custody. A receipt will be granted by the treasury officer which should be returned by the investor when he desires to take back his certificates.

(4) The maximum holding of cash certificates at any time by any one person or by two persons jointly and severally is limited to Rs. 10,000. A declaration that the total holding is not in excess of the limit must be made by the purchaser or purchasers on the occasion of each purchase.

Exception.—The limit of Rs. 10,000 referred to above does not apply to the case of—

(i) school authorities who purchase certificates on behalf of students from savings made over to them,

(ii) local bodies, universities incorporated by an Act of the Indian legislature, and Government educational institutions approved of by the Local Government purchasing certificates for investment on behalf of, or as awards to, students,

(iii) the transferees of certificates—

(a) pledged as security,

(b) offered as donations to the Red Cross funds, the Imperial Indian Relief Fund, or the St. John Ambulance Association

MINORS' HOLDINGS.

2. (1) A cash certificate cannot be purchased by a minor. It may, however, be purchased in the name of a minor by an adult relative or guardian. The applicant for the purchase of a cash certificate on behalf of a minor must give the date of the minor's birth in the application for purchase.

(2) A cash certificate purchased in the name of a minor cannot be discharged during the minority except by the minor's *legally-appointed* guardian. The Postmaster-general and the Director-General have, however, discretionary power to allow the *natural* guardian to discharge cash certificates during the minority up to the face value of Rs. 500 and Rs. 1,000, respectively, without the execution of an indemnity bond by the party concerned.

PURCHASE OF CASH CERTIFICATES BY EDUCATIONAL AUTHORITIES ON BEHALF OF STUDENTS.

3. An educational authority (such as a local or a municipal board, a university or the governing body of an institution), or an individual member of it, or the headmaster of an educational institution, may purchase cash certificates on behalf of students out of their savings or prize money. The certificates will remain in the custody of the Accountant-General, Posts and Telegraphs, and the educational authority will draw the amount due on discharge for distribution among the students.

TRANSFER OF CASH CERTIFICATES.

4. The holder of a cash certificate may not transfer it to another person except with the previous permission of the Postmaster-General. The transferee must furnish a declaration that his total holding of these certificates (including the amount to be transferred) does not exceed the permissible maximum of Rs. 10,000. A new certificate bearing the same serial number and dates of issue and maturity as the original certificate will be issued to the transferee on the surrender of the original certificate duly endorsed by the transferor.

The similar transfer of a certificate represented by an Accountant-General's acknowledgment for a certificate in Post Office custody is also permissible.

CASH CERTIFICATES AS SECURITY.

5. The holder of cash certificates may tender them as security to any department of Government for the amount at which the certificates were purchased, and not for their face value, provided that the certificates are formally transferred to the pledgee with the sanction of the Postmaster-General. The certificates may, with the permission of the Postmaster-General, be re transferred by the pledgee to the original holder on the removal of the pledge.

In order to avoid frequent transfers which would be involved in consequence of the change of incumbents, Government officers may hold such certificates as security in their *official capacity*, whether they are kept in the custody of the Accountant-General, Posts and Telegraphs, or not.

DISCHARGE OF CASH CERTIFICATES.

6. (1) The amount shown on a cash certificate will be payable five years after the date of issue on presentation of the certificate. If the holder of a certificate desires to surrender it before the completion of five years, he will be entitled to payment as shown in the table below, the appropriate portion of which appears on the reverse of the certificate. The holder of a cash certificate kept in the custody of the Accountant General, Posts and Telegraphs, must apply by letter for its discharge at the post office of issue, and payment will be made by the post office on receipt of authority for payment from the Deputy Accountant-General, Posts and Telegraphs, concerned. A receipt for payment will be taken on the reverse of the certificate or the Deputy Accountant-General's acknowledgment as the case may be. An income-tax will be levied on the yield from these certificates and their payment will be made in all cases free of stamp duty.

(2) Payment of the amount due on a cash certificate will ordinarily be made only at the post office at which the certificate was purchased. The holder may, however, apply for payment at any post office doing savings bank business. In the latter case payment will be made at the post office at which application is made after the certificate has been verified by the office of issue.

(3) Payment of a cash certificate issued in joint names can be made only on the signatures of the joint holders. Payment will, however, be made to one of the joint holders on a letter of consent from the other holders addressed to the postmaster concerned.

PARTIAL DISCHARGE AND EXCHANGE OF CASH CERTIFICATES.

7. The holder of cash certificates whether in the custody of the post office or not may discharge a part of his holding by making application to the postmaster of the office of issue mentioning the amount he desires to be repaid to him and the numbers and denominations of the certificates which will form the balance to be retained by him in his own possession or in the custody of the Accountant-General, Posts and Telegraphs.

Several cash certificates of lower denominations may be exchanged for one or more certificates of a higher value on application to the postmaster of the office of issue.

PAYMENT OF CASH CERTIFICATES BELONGING TO DECEASED HOLDERS

9. (1) If a holder of cash certificates should die leaving certificates not exceeding three thousand rupees in value, and if probate of his will, or letters of administration of his estate, or a certificate granted under Act VII of 1889, be not produced to the Postmaster-General within three months of the death of the said holder, the Postmaster General may pay the value of the certificates to any person appearing to him to be entitled to receive it or to administer the estate of the deceased.

(2) The amount of cash certificates in excess of the value of three thousand rupees due to the estate of a deceased holder may only be paid on production of probate, letters of administration, or a certificate under Act VII of 1889, unless otherwise ordered by the Director-General who has discretionary power to dispense with such evidence in cases where he is of opinion that to require it would cause hardship, and that to dispense with it would involve no appreciable risk

(3) Certificates purchased in joint names are *ordinarily* payable under the orders of the Postmaster-General (*a*) in the case of the death of one of the joint holders to the surviving joint holder, (*b*) when both the joint holders are dead to the representative of the *last* surviving joint holder.

PAYMENT OF CASH CERTIFICATES IN THE UNITED KINGDOM.

9. Holders of cash certificates, who subsequently leave India, may obtain payment for their certificates in the United Kingdom, provided that the certificates have been held for the full term of five years. In the event of an applicant being promised a licence he will be enabled to deal with the order straightaway with the knowledge that upon application being made in the proper form to the Export Licence Department the licence will be granted.

The telegrams should be addressed to "Orders, c/o Advantage, Stock, London." They should give in each case in addition to the name and postal or telegraphic address of the applicant the quantity and description of the goods concerned in the order and the name and address of the ultimate consignee if the goods are destined for a neutral country. In the case of orders from Allied or British Territory or from Territory in the occupation of troops of the Associated Governments, the consignee need not be stated, and it will be sufficient merely to give the country of destination. A reply of 24 words (1/3) must be prepaid.

Applicants are requested in their own interests to confine their inquiries to orders needing a very urgent decision, since the fewer the inquiries the more promptly can answers be given.

From the marks assigned to candidates in each subject such deduction will be made as the Civil Service Commissioners may deem necessary in order to secure that no credit be allowed for merely superficial knowledge.

Consistently with the limitations specified above candidates are at liberty to name any of the foregoing subjects, provided that the maximum number of marks that can be obtained from the subjects chosen is limited to 6,000. If this maximum is exceeded by a candidate's selection he will be required to indicate one of his subjects, the marks for which should, in his case, be reduced so as to bring his maximum marks within the prescribed limit. The marks so reduced will be subject to a correspondingly reduced deduction.

Moreover, if a candidate's handwriting is not easily legible a further deduction will, on that account, be made from the total marks otherwise accruing to him.*

8. A list of the competitors shall be made out in order of their proficiency as disclosed by the aggregate marks finally awarded to each competitor, and in that order so many competitors, up to the determined number of appointments, as are found by the Civil Service Commissioners to be qualified by examination, shall be designated to be Selected Candidates for the Indian Civil Service, provided that they appear to be duly qualified in other respects. Should any selected candidate become disqualified, the Secretary of State for India will determine whether the vacancy thus created shall be filled or not. In the former case the candidate next in order of merit, and in other respects duly qualified, shall be deemed to be a selected candidate.

7. Selected candidates, before proceeding to India, will be on probation for one year, at the end of which time they will undergo an examination, called the Final Examination, in the following compulsory subjects (b) :—

	Marks.
1. Indian Penal Code	400
2. Code of Criminal Procedure	300
3. The Indian Evidence Act	200
4. Indian History	200
5. The principal Vernacular Language of the province to which the candidate is assigned	400

(a) A syllabus, defining the character of the examination in the various subjects, may be obtained on application to the Secretary, Civil Service Commission, London, W.

(b) Instructions, showing the extent of the examination, will be issued to selected candidates as soon as possible after the result of the Open Competition is declared.

*It is specially for general information that the number of marks deducted for bad handwriting may be considerable.

The principal Vernacular Language prescribed for each province to which candidates are assigned is as follows:—

For the United Provinces of Agra and Oudh, the Punjab or the Central Provinces	Hindustani.
For Bengal or Assam (unless it is the candidate's mother tongue.)	Bengali.
For Bihar and Orissa	Hindustani.
For Burma	Burmese.
For Bombay (unless it is the candidate's mother tongue.)	Marathi.
For Madras (at the option of the candidate.)	Tamil or Telugu.

In Hindustani the candidate will be required to be acquainted with both the Persian and the Nagari character.

A candidate assigned to Bengal or Assam, whose mother tongue is Bengali, must offer for examination Hindustani; a candidate assigned to Bombay, whose mother tongue is Marathi, must offer for examination Hindustani; and a candidate assigned to Madras, whose mother tongue is either of the languages shown against his province, must offer the other for examination.

8. Selected candidates may in addition offer in the Final Examination one of the following optional subjects:—

	Marks.
1. Hindu and Muhammadan Law	450
2. Sanskrit	400
3. Arabic	400
4. Persian	400
5. Hindustani	400

No candidate who offered Sanskrit or Arabic at the Open Competition may offer the same language at the Final Examination; and only candidates assigned to the Province of Burma may offer Hindustani as an optional subject.

9. In the Final Examination, as in the Open Competition, the merit of the candidates examined will be estimated by marks (which will be subject to deductions in the same way as the marks assigned at the Open Competition), and the number set opposite to each subject denotes the greatest number of marks that can be obtained in respect of it. The examination will be conducted on paper and *viva voce*, as may be deemed necessary.

If any candidate is prevented by sickness or any other adequate cause from attending such examination, the Commissioners may, with the concurrence of the Secretary of State for India in Council, allow him to appear at the Final Examination to be held in the following year, or at a special examination.

10. The selected candidates will also be tested during their probation as to their proficiency in Riding.

The examinations in Riding will be held as follows:—

(1) Shortly after the result of the Open Competitive Examination has been declared, or at such time or times as the Commissioners may appoint during the course of the probationary year.

(2) Again, at the time of the Final Examination. Candidates who may then satisfy the Commissioners that they are sufficiently at home in the saddle for the efficient performance of all the duties of the Indian Civil Service will be awarded marks ranging between 101 and 200 according to the degree of proficiency displayed, to be added to their marks in the Final Examination. Candidates who fall short of this adequate proficiency but show such minimum proficiency as is evidence that with a moderate amount of practice they can attain full proficiency, will receive marks ranging between 1 and 100; they will be allowed to proceed to India and will on their arrival there be subjected to such further tests in Riding as may be prescribed by their Government, and shall receive no increase to their initial salary until they have passed such tests to the satisfaction of that Government.

A candidate who fails at the end of the year of probation to satisfy the Civil Service Commissioners that he has reached the minimum standard of proficiency in Riding, will be liable to have his name removed from the list of selected candidates.

11. The selected candidates who, on examination, shall be found to have a competent knowledge of the subjects specified in Regulation 7, and who shall have satisfied the Civil Service Commissioners of their eligibility in respect of nationality, age, health, character, conduct during the period of probation, and ability to ride, shall be certified by the said Commissioners to be entitled to be appointed to the Indian Civil Service provided they shall comply with the regulations in force, at the time, for that service.

12. Persons desirous to be admitted as candidates must apply on forms, which may be obtained from "The Secretary to the Civil Service Commissioners, London," at any time after the 1st December, in the year previous to that in which the examination is to be held. No person will be admitted to the examination from whom the Secretary to the Civil Service Commissioners has not received on or before the 1st June (or, if that date should fall on a Sunday or public holiday, then, on or before the first day thereafter on which their office is open), in the year in which the examination is to be held, an application, in the handwriting of the candidate, on the prescribed form.

APPENDIX

1. Any person who has joined since the 4th August 1914 the Army or Navy or Royal Marines or the Royal Air Force, or has rendered since that date actual military service in the Special Reserve or Territorial Force, Royal Naval Reserve or Royal Naval Volunteer Reserve, may, if eligible in point of age under the Regulations as they now stand for admission to the Open Competitive Examination held in 1919, but over age in 1920, deduct from his actual age at the time of the Open Competitive Examination held in 1920,—

(a) The actual period of such service, if it has not exceeded three months.

(b) One year, if the actual period of service has exceeded three months. No candidate will be allowed to deduct more than one year from his actual age.

2. The same concession may also be granted to those who have been employed during the same period in connexion with the armed forces of the Crown at home or abroad giving their whole time

and under obligation to serve for the duration of the war or until their discharge, or for any period not terminable at their own option, provided that their employment be not on ordinary commercial terms, such as that of Assistant Paymasters, Clerks, artisans, and the like.

3. The grant of the concession described in paragraph (2) will be at the discretion of the Civil Service Commissioners, whose decision in each case will be final. Candidates who contemplate applying for an age deduction under (2) will do well to apply to the Civil Service Commissioners for a ruling on their case.

4. Candidates to be eligible for the concessions in (1) or (2) must furnish an official certificate of the period and satisfactory character of their service and if any doubt arise whether the service of any candidate is of the kind contemplated, the Secretary of State for India in Council reserves to the Civil Service Commissioners the right to decide the case upon its merits.

The Civil Service Commissioners are authorized by the Secretary of State for India in Council to make the following announcements:—

(i) *Selected Candidates will be allotted to the various provinces after a consideration of all the circumstances, including their own wishes; but the requirements of the Public Service will rank before every other consideration.*

(ii) *Except in the case of persons continuing to receive Scholarship allowances of equal or greater amounts from the Government of India an allowance amounting to £150 will be given to any candidate who passes his probation at one of the Universities or Colleges which have been approved by the Secretary of State, viz., the Universities of Oxford, Cambridge, Dublin, Glasgow, Edinburgh, St. Andrews, and Aberdeen; the School of Oriental Studies, London Institution, Finsbury Circus; Victoria University, Manchester.*

The allowance will be paid to the selected candidate in four instalments on the following dates respectively:—December 24th, after his selection. March 25th, June 24th, and the date of his signing his covenant on being finally appointed to the Service.

An allowance on account of passage to India will be paid to each newly appointed civilian to the amount of £40, for passage to Calcutta, Madras or Bombay, and £30 for passage to Rangoon. These allowances will only be paid after production of evidence that the Officer has engaged a first-class passage. An Officer who prefers at once to have a first class passage taken for him by the India Office in lieu of receiving a passage allowance. Applications giving proposed dates of sailing should be made to the Secretary, Judicial and Public Department, India Office, London, S.W.1.

The payment of each of the first three instalments will be conditional on the receipt, by the Secretary of State, through the Civil Service Commissioners, of a Certificate that the Candidate has fulfilled up to date the requirements of the Authorities, and shown satisfactory conduct at the Authorised University or College; the fourth and final instalment will be paid as soon as the Selected Candidate has signed his covenant, and for its payment no certificate from College authorities will be required.

The whole probation must ordinarily be passed at the same institution. Migration will not be permitted except for special reasons approved by the Secretary of State.

(iii) *Each candidate will be required before receiving the first instalment of his allowance to execute an agreement binding himself and one surety, jointly and severally, to refund all monies he may have received from the Secretary of State for India in the event of—*

(1) *his failure to pass the Final Examination within the time prescribed by the Regulations, and to satisfy the Civil Service Commissioners of his fitness for admission to the Indian Civil Service, or*

(2) *his subsequent failure to execute the usual covenant, and to proceed to India, as and when he shall be directed by the Secretary of State for India.*

(iv) *All candidates obtaining certificates will be also required to enter into covenants, by which, amongst other things, they will bind themselves to make such payments as under the rules and regulations for the time being in force, they may be required to make towards their own pensions or for the pensions of their families. The stamps payable on these covenants amount to £1.*

(v) *The seniority in the Indian Civil Service of the candidates obtaining certificates will be determined according to the order in which they stand on the list resulting from the combined marks of the Open Competition and Final Examinations, but may ultimately be affected by appointments made by the Secretary of State under the Temporary Provisions Act, 1919.*

(vi) *Candidates obtaining Certificates will be required to repair their arrival in India within such period after the grant of their certificates of qualification as the Secretary of State may in each case direct.*

(vii) *Candidates who fail to satisfy the Civil Service Commissioners in the Final Examination held in any year will be definitely rejected, and will not be allowed to present themselves for re-examination, unless it shall appear to the Secretary of State in Council, after reference to the Civil Service Commissioners, that such failure is due to circumstances wholly exceptional and beyond the control of the candidate.*

MEMORANDUM

For Probationers selected at the Open Competition of 1919 and 1920, the amount (£150) of the allowance referred to in paragraph (ii) of the announcements will be increased to £200.

INDIAN CIVIL SERVICE.

SYLLABUS OF AN OPEN COMPETITIVE EXAMINATION FOR THE INDIAN CIVIL SERVICE TO BE HELD IN THE YEAR 1920, AND OF ANY OTHER COMPETITION THAT MAY BE HELD IN COMBINATION THEREWITH.

In view of the importance of legible handwriting in the public service, candidates are warned that the provision as to deductions for bad handwriting in these competitions will be strictly enforced.

Candidates are warned that full marks cannot be obtained on any paper unless the whole of it is answered, or, in cases where the number of questions to be answered is specified, unless the full number specified is answered.

English Composition.—An essay to be written on one of several specified subjects.

Sanskrit Language and Literature.—Translation from Sanskrit; composition in Sanskrit; Sanskrit Literature, including the life, thought, and antiquities of Ancient India, together with such knowledge of history as bears upon the subject; questions on the Sanskrit Language (including questions on Philology).

Composition will be required in Classical Sanskrit alone; elsewhere Vedic Sanskrit is also included.

Candidates are expected to make a special study of the Seventh Mandala of the Rig-veda, but other Vedic hymns may also be set in the examination.

Arabic Language and Literature.—Translation from Arabic; set composition and free composition in Arabic; Arabic Literature, including the life and thought of the Arabs as shown in the literature, together with such knowledge of history as bears upon the subject, questions on the Arabic Language (including questions on Philology).

Greek Literature.—Questions on the Greek Language (including questions on Philology), Literature and Antiquities.

Latin Literature.—Questions on the Latin Language (including questions on Philology) and on Roman Literature and Antiquities.

English Language and Literature.—The examination will be in two parts. In the one candidates will be expected to show a general acquaintance with the course of English Literature, as represented in the chief writers in verse and prose, between the reign of Edward III and the death of Queen Victoria.

A minute and detailed knowledge will not be looked for in this part of the examination; but its aim will be to test how far the candidates have studied at first hand the chief productions of the greatest English writers, and are acquainted with the leading characteristics of their thought and style, and with the place which each of them occupies in the history of English Literature.

The other part of the Examination will relate to one of the following periods, which will follow each other year by year in rotation:—

Period I: 1369 to 1600, Chaucer to Spenser.
Period II: 1600 to 1660, The later Elizabethans.
Period III: 1660 to 1744, The age of Dryden and Pope.
Period IV: 1744 to 1800, From the death of Pope to the death of Cowper.
Period V: 1800 to 1832, Nineteenth Century writers to the death of Scott.
Period VI: 1832 to 1892, From the death of Scott to the death of Tennyson.

The Examination in this part will require from the candidates a more minute acquaintance with the History of the English Language and Literature as illustrated in the chief works produced in each period, and will be based to a considerable extent, but by no means exclusively, on certain books specified each year by the Commissioners. The names and other indications placed beside the dates are intended to suggest the general character of the literary development of the period, and, consequently, the natural limits of the Examination. All the works of Shakespeare and Milton, for example, will be regarded as falling within the period 1600 to 1680; all the works of Wordsworth and Coleridge within the period 1800 to 1832; all the works of Carlyle, Landor and Macaulay within the period 1832 to 1892.

For the year 1920, Period III (1660—1744) is prescribed, and the following are the specified books:—

Butler—Hudibras.
Cowley—Essays.
Bunyan—Pilgrim's Progress.
Temple—Essays

THE GOKHALE PRIZE.

1. This prize will be awarded for the best essay or thesis written on any topic connected with Indian Economics by Graduates in Arts of the University of not more than five years' standing who have been born and are resident within the territorial limits of the University.

2. The value of the prize is at present Rs. 500. The prize will be awarded in 1921 and essays therefor should be submitted to the Registrar before the end of February 1921.

3. The essay or thesis submitted should have been prepared solely for the purpose of competing for the prize and should not have been published in any manner previous to submission. Each competitor for the prize must forward with his essay or thesis a declaration that the above conditions have been observed.

4. While competitors for the prize have an unrestricted choice of subject within the limit of Indian Economics the following suggestions for suitable topics and the methods of presentation are offered for their guidance.

5. The Economics of a particular industry in a particular locality.

(i) A candidate taking this subject should confine himself mainly to a locality so limited that he can become personally acquainted with the whole of it, though illustrations of particular points drawn from published reports relating to other localities may well be used. The candidate should investigate family budgets and working conditions of typical families and endeavour to throw light upon the recent history and prospects of the industry and of those engaged in it.

(ii) The economic conditions of a particular agricultural district, either with special reference to some agricultural problem of general importance (e.g. Fragmentation and Excessive subdivision of holdings) or with reference to some important local problem such as that of House-sites for Pariahs in the Tanjore Delta, or the Advantages and Disadvantages of Maruman-kkattayam on the West Coast.

(iii) The economic conditions and problems of some particular caste or defined body of workers in either an urban or rural area, the object aimed at being an investigation similar to that of Mr. Arthur Davies into Anglo-Indian families in Madras, or that of Dr. Harold Mann into Untouchables in the villages near Poona.

Competitors are not excluded from the choice of other subjects but should select only such as are of sufficiently manageable dimensions as to permit of the production of essays and theses of possible value.

Competitors are warned that essays and theses which do not *either* contain new facts or new interpretations of previously known facts, *or* present such regroupings of facts and ideas as make clearer than before some point of economic interest, will not be considered of merit sufficient to justify the prize.

ERRATUM.

The following alteration will be made in Board's Notification No. 14, dated 1st November 1915, published on pages 2215—17 of the *Fort St. George Gazette*, dated 5th December 1916, Part II :—

For

"The strength of liquor weaker than 50 U.P. cannot be determined at any temperature below 62°F. To find the strength of such liquor at a lower temperature, it will be necessary to raise the

temperature of the liquor until the line on the stem showing 60 just becomes visible under the surface of the liquor, noting the temperature and subtracting the factor found in columns 12-13, as the case may be, against this temperature from 60.

The true strength of liquor weaker than 60 U.P. can only be determined at the strength of 61·6 U.P. at 100° F. To obtain the strength of weaker liquor than 61·6 U.P. the liquor must be cooled by artificial means until the 60 line on the stem just becomes visible under the surface of the liquor, the temperature noted and the proper correction made. Liquor of 61 U.P. would have to be cooled down to 61°F. before its strength could be determined."

Read

"When the liquor to be tested is too weak to give an indication on the instrument at the prevailing temperature, it may be warmed by artificial means. When the liquor is too strong it may be cooled. In both cases the new temperature and indication will be used in ascertaining the true strength from the tables."

SUPPLEMENT TO PART II

OF

THE FORT ST. GEORGE GAZETTE.

No. 35.] MADRAS, TUESDAY EVENING, SEPTEMBER 2, 1919. [Price, 6 *pies.*

REPORT ON THE AUDIT OF THE ACCOUNTS OF THE PORT TRUST, MADRAS, FOR THE YEAR 1918–19.

Letter—from A. Newmarch, Esq., Accountant-General, Madras and M.R.Ry. T. K. Acharya Avargal, B.A., Assistant Accounts Officer in charge of Outside Audits, Madras, Auditors of the Madras Port Trust Accounts.

To—the Trustees of the Port of Madras.

Dated—the 4th/5th August 1919.

No.—O.A. 16-8997.

We have the honour to report that the audit of the Revenue, Capital and Minor accounts of the Madras Port Trust for the year 1918–19 has been completed.

* (a) Comparative statements of revenue receipts and expenditure
(b) Statement of capital, interest and debt.
(c) Capital account at the end of 1918–19.
(d) Balance statement of the Trust's minor accounts.
(e) Comparative statement of receipts and expenditure of the Madras Pilotage fund accounts.

2. The statements noted in the * margin attached to the Board's administration report for 1918–19 have been examined and signed by us.

3. Statements showing in detail the transactions of deposits, the Provident fund, the Disabled Boatmen's fund and the Biden Sailors' Home Charity fund, are appended marked A, B, C and D.

4. The outstanding balances of the several loans shown on page 10 of the administration report have been compared with the balances on the books of this office and found to be correct.

5. The cash and security balances to the credit of Revenue, Capital and other Minor accounts on the 31st March 1919, have also been verified with reference to the pass books and safe custody receipts of the Bank of Madras.

6. The office of the Examiner of Public Works Accounts having been amalgamated with the Accountant-General's office, the audit of the Works Expenditure controlled by the Chief Engineer of the Port Trust, which used to be done by the Examiner previously, was after such amalgamation carried on by the Works Audit section of the Accountant-General's main office until October 1918, when it was transferred to the Outside Audit Department which used until then to audit the

Revenue portion only of the Port Trust's accounts. The entire audit of receipts and charges of the Port Trust is thus now concentrated in one section only, viz., the Outside Audit Department, which deals with the accounts on the spot and does not require copies to be sent to the Accountant-General's office in the Fort. A printed note on the accounts of the Port Trust works for the year 1918–19 has been submitted to Government with this office No. O.A. 16, dated 14th June 1919.

7. The following points deserve notice:—

(i) *Harbour dues on liquid fuel in bulk.*—In view of the cost of laying and maintenance of the Port Trust oil pipes, through which liquid fuel in bulk is transmitted to the merchants' oil tanks, the Port Trust Board in their Resolution No. 5, dated 20th February 1903, resolved to raise the harbour dues of As. 12 per ton to Rs. 1-2-0 per ton. This resolution was neither referred to the Local Government for sanction under section 44 of the Madras Port Trust Act, nor does it appear that it was subsequently cancelled or modified by the Board. The lower rate of As. 12 per ton still continues to be in force.

(ii) Certain items of short recoveries of Port Trust dues on being objected to in audit were subsequently recovered from the parties concerned. The latter complained to the Chairman about the delay which had intervened between the dates of the original transactions and the subsequent recovery. The Chairman thereupon decided to treat the items as irrecoverable for the purpose of writing them off and the amounts already recovered were proposed to be refunded. When the refund bills* were presented for pre-audit they were returned unpassed on the ground that the items already recovered could hardly be treated as irrecoverable under the last sentence of section 44 (2) of the Port Trust Act, and that, for remission of the amounts as a special case the previous sanction of Government should be obtained under the first sentence of section 44 (2).

* Refund bills for Rs. 14-8-0, Rs. 65-4-0 and Rs. 78-6-0 on export applications — Nos. 143/30, dated 7th August 1918 and 158/37 and 38, dated 22nd August 1918, respectively.

The items have, however, been refunded to the parties concerned without obtaining the sanction of Government and without getting the bills passed by the Audit Department, as is usual.

(iii) Mr. Vijaraghavalu, Fireman, Port fire engine, who had completed the 15 years' service required under rule 14 of the Trust Provident Fund rules, resigned his appointment and was paid the full amount at his credit in the Provident Fund account. He was reinstated within a period of about three months and allowed to again become a subscriber to the Provident fund without refunding the amount withdrawn previously. As the Port Trust Provident fund is of the nature of a Pension fund intended solely for the benefit of officers *finally* quitting the service of the Trust, an officer who voluntarily resigns his appointment and withdraws the amount at his credit in the Provident fund should, on re-employment, be asked to refund the amount previously withdrawn from the fund, unless the sanction of Government is obtained for his admission to the fund as a fresh subscriber.

(iv) Instances of short recoveries in the collection of harbour dues, etc., were more numerous during 1918–19, than in the previous year. Out of an aggregate amount of Rs. 2,027-8-5 pointed out for recovery, Rs 1,605-14-5 was recovered and Rs. 208-7-0 written off as irrecoverable under section 44 (2) of the Port Trust Act. The balance of Rs. 213-3-0 still remains to be recovered.
